SUBSTITUTE OATH/DECLARATION SUBMISSION FOR UTILITY PATENT APPLICATION

This is a Substitute Declaration of the above-captioned application originally filed on January 26, 2004 to include my full given name to comply with MPEP 605.04(b). The only change from the original declaration is the complete spelling of my given name.

I, Kung-Chin Kuo, hereby declare that I am an original inventor of the subject matter which is claimed and for which a patent is sought as disclosed in the above-identified application and that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment under 18 U.S.C. §1001 and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by amendments, if any, as specifically referred to herein.

I also acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. §1.56, including for continuation-in-part application, if any, material information which became available between the filing date of the prior application, if any, and the national or PCT international filing date of the continuation-in-part application.
